

## **Local Urgent Care Clinics and Hospitals:**

- **Students can contact Campus Safety (484-664-3110) year round for emergencies.** During fall and spring semesters while classes are in session. **Muhlenberg College EMS** is typically available by calling Campus Safety. An on call nurse is available by calling Campus Safety to answer urgent questions by phone during fall and spring semester. During summer a nurse is available limited hours by appointment only.
- **Students are responsible for the cost of all medical care received.** Students should check with their health insurance providers for participating in-network providers in the area. Students are responsible for understanding their health insurance coverage & limitations.
