Accident and Injury Report:

There were no new reports.

Working in Period of Covid 19 Outbreak:

- A. On campus: Beginning safety measures in anticipation of coming back to campus. Mike Becker reported that Plant Ops is installing touch less fixtures in all academic buildings and dorms with group bathrooms. This includes toilets, sinks. Mr. Becker also stated that they are identified high traffic areas ie. Admissions that will need plexiglass dividers. Extra signage indicating entrance and exit points as well as where single lines begin and 6' spacers are underway. All communal kitchen areas have been removed.

Joe Spirko stated that all paper towel and hand sanitizers are being replaced with touchless fixtures as they come available. All of this equipment is in high demand throughout Pennsylvania.

Steve Nemes stated that the training areas in LSC are in the process of implementing safe distancing measures.

Brian Fidati stated that fire codes need to be adhered to.

Diane Dologite asked if touchless sinks would be installed in the labs.

- B. Working Remotely: no issues were noted.

Building and Grounds Inspections:

Joseph Spirko reported that all dorms will be inspected over the summer. Mr. Spirko noted that Robertson and South have been inspected. Mr. Spirko stated that his staff are using extra precautions because of Covid 19.

Mike Becker stated that campus generators, lighting, boilers are part of daily inspections in spite of limited staff.

Brian Fidati stated that Carlos will inspect campus AED's.

Around the horn:

Brenda Lakis noted that fire inspections will begin. Brenda also noted that the fire marshall will be on campus July 30, 2020.
